**Press Release**

## **Mainstream Wins Another Award - Most Outstanding Fund Administrator - Ireland**

Mainstream Fund Services (Ireland) Limited (“Mainstream”), is delighted to announce its most recent industry award; ‘*Most Outstanding Fund Administrator Ireland*’. The award which is featured in the October issue of the Worldwide Business Review honours and provides insight, information and comment on the world’s leading businesses and the individuals driving them.

The Worldwide Business Review feature on Mainstream outlines the key services provided by our Irish office and summarises the approach they use to achieve success.

Commenting shortly after the announcement, Mainstream’s European and Cayman CEO John McCann stated “We are absolutely thrilled to be recognised in these awards. As always, we would thoroughly like to thank our loyal clients - they continue to provide us with invaluable insight and make our role so rewarding. In addition, we are pleased that the efforts of our staff, who continue to innovate and put our clients first have been recognised by this award.”

Whilst this accolade recognises the characteristics of our Irish operation, particularly in the areas of putting clients first and innovation, these values are at the core of everything we do and are equally represented through our global offices in Australia, Singapore, Hong Kong, Cayman, USA, Malta and the Isle of Man.

A full copy of the publication can be found [here](#), with our company featured on page 44.
